

Assembly Instructions

1. Print on white card stock.
2. Cut out the blue rectangles with a sharp exacto knife.
3. Fold at red dotted line.
4. Slip your piece of acetate with the sharpie lines inside and line up with the red guide marks then tape in place.
5. Trim at dashed lines.
6. Punch holes in the value scale.
7. Tape edge with desired tape for sturdiness.

This is the same as proportion as:

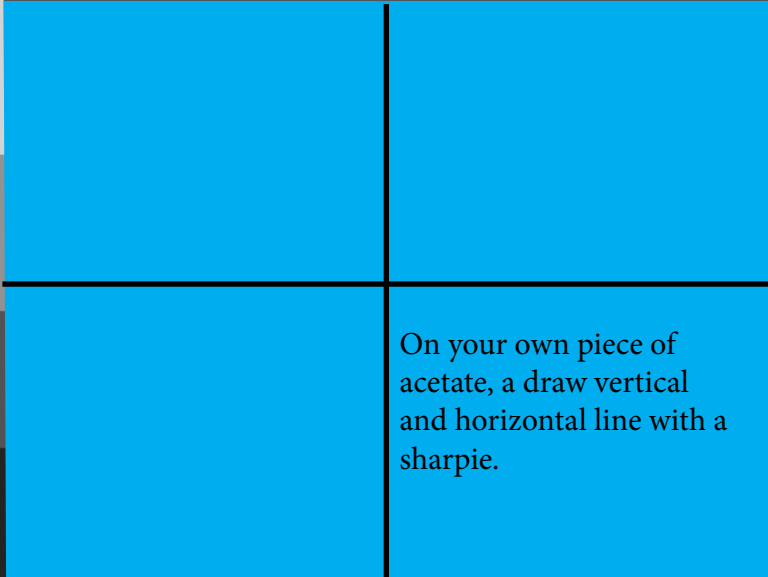

6 x 8

9 x 12

12 x 16

18 x 24

PaintingLessonswithMarla.com

On your own piece of acetate, draw vertical and horizontal line with a sharpie.
